

Practice Assignment (PA) 1

1. What are the key issues in multimedia systems?
2. In reference to the GIF image format, what we mean by Signature and Version? How many bits are required to represent the version of a GIF image?
3. What are the advantages of JPEG images over GIF images?
4. Give a comparative discussion between PNG and TIFF image formats.

Instructions:

1. You should upload this PA in Sejong University Blackboard after you log-in with your ID
2. Upload either PDF or Microsoft word document.
3. Only a single file should be uploaded
4. Student name and student number should be clearly written on the top of the uploaded document.
5. Deadline: September 22, 2017.
